MEMORANDUM FOR THE RECORD:

The Director spoke with Cong. Kilday and congratulated him on his new appointment, and said that while he was sorry to lose him, as a lawyer he could appreciate his wanting to do this. The Congressman thanked the Director and said that he felt it would be a "nice cap to his career".

Mr. Kilday said that while the announcement had been made, the President had not yet nominated him. He said that the President had spoken to him about beginning in about 2 or 3 months - about August - so that he would be around for a while.

The Director said that was fine.
